

# Thank You

*Norm and Lisa, on this Bosses day we would like to say "Thank-you" for not only being our Boss, but for also being encouraging leaders and inspiring role models. Through your dedication, honesty, integrity, commitment to quality, and humility you have shown us what it takes to be successful. It is because of the vision you both had almost 17 years ago, to start your own business, that we are able to be employees at one of the most successful Automotive Repair shops in the area.*

*We wish you a well-deserved*

*Happy Bosses Day!*
